

Mr David Haines

Office Manager and Exams Officer

BTEC National Diploma in Computer Studies

Before working at Newbury Hall I worked as a Teaching Assistant at The Oaks Pupil Referral Unit in Thatcham for almost eight years. Prior to this I worked as a Learning Mentor at Reading Football Club on their Playing for Success programme.

I also have many years experience working with young people as a football coach, having run my own business West Berkshire Football Academy and coaching players at a number of grassroots football clubs including Thatcham Town Harriers and the Children's Soccer Academy. More recently I have delivered inclusive development sessions for Charlie Austin Football School in the local area. At present I am coach for Thatcham Tornadoes, which involves weekly training and matchday management of their under-10 Tigers team.

Originally employed as a Teaching Assistant at Newbury Hall, I am now the Office Manager and Exams Officer. I enjoy these roles as I feel they play to my strengths, which include prioritising tasks and working in an organised manner.

Over the next twelve months I am looking to attend further training so that I can build on my knowledge and ensure that regulatory changes are reflected in my work.

In my free time I enjoy watching football and have a season ticket for Reading Football Club. I also like to spend time with my family playing video games and going to the cinema.
