

**WHISTLE-BLOWING FOR STUDENTS POLICY**

Working alongside Newbury Hall’s Anti-Bullying, Anti-Cyber Bullying, and Safeguarding & Child Protection Policies, students are actively encouraged to help stop bullying and any other unacceptable behaviour.

All students should feel completely safe to do this.

Students raising concerns are assured of confidentiality and there will be no repercussions or disciplinary issues, providing any concerns are raised in genuine good faith.

We understand it can be very difficult for students to voice concerns, but they are fully supported if they speak to a tutor, houseparent, designated safeguarding lead, Principal, independent listener, parent, guardian or indeed any adult they are comfortable talking to.
